Dear Bill:

Thanks for your letter of March 19 and the translation of the Ma'ariv article on the Black Hebrews. We appreciate the efforts of the Embassy to keep up with the Black Hebrew community, since regular communication with its members and leaders is the best insurance against the kind of isolation that contributed to Jonestown. Anything the Embassy can do with the Israelis to encourage them to regularize the status of the community would likewise be much appreciated. In particular, I hope you can keep after M.K. Glass about publishing his report.

Sincerely,

David A. Korn
